Reasons for allowance

1. Claims 1, 5, 18-22, 55, 57-59 and 61-68 are allowed and renumbered as claims 1-19. Applicant has cancelled claims 2-4, 6-17, 23-54, 56 and 60.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the recited surface covering or surface covering component further including a first region with a first concentration of a first photoinitiator and a second region with a second different concentration of the first photoinitiator, whereby the exposed surface of the crosslinked top coat adjacent the first region has a first gloss level and the exposed surface of the crosslinked top coat adjacent the second region has a second different gloss level.

The prior art of record also does not teach or suggest the recited surface covering or surface covering component further including a top coat comprising a first region having a first gloss level and a second region having a second gloss level different from the first region, wherein the first region comprises a photoinitiator, the concentration of the photoinitiator being different than the concentration of the photoinitiator in the second region. The prior art does not teach motivation or suggestion for modification to make the invention as instantly claimed.

Any comments considered by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
